A DEDICATION

THE Spirit of *William and Mary* is a rich Inheritance from the Past and a creative and transforming Force in the Present, for it manifests a spiritual Kinship between the Students of Today and those who have dwelt and developed at this College during the Two Hundred and Forty-three Years of its Lite and Service.

In that quarter Millennium unimaginable physical and political Changes have taken place. Transportation has shrunk the World to a mere Speck of its former Size. The Day of the little sailing Ship and Oxcart has been superseded by the Aeroplane and Motor Car; the swiftest Couriers are literally motionless in comparison with the Radio and Telephone, and coinci-

dentially the Telescope has enlarged the Bounds of the Universe until the ordinary Man is driven to fall back upon such incomprehensible Standards as "Light Years".

Yet in these portentous, revolutionary and disquieting Changes the unconquerable Will of Man still stands. The Forms of Faith have altered, but Man's Faith in Man remains. The Population, the Area, or the Wealth of this Country, important though they be, are in themselves only one Phase of the great Contribution made by the Sons of *William and Mary* to the accomplished Revolution in this Land. That Gift was first Belief in Man's Power to meet and deal with the Demands of Life. That is the Spirit we need to see vital and energizing once more. At this Time of general Doubt and Uncertainty, confronted by new and menacing Forces, this Land is once again, as in 1776, thrown back upon the Light of Reason and the Fortitude of Faith.

Those were the moving Forces that have showed forth in the Sons of *William and Mary* in every Crisis which this College faced. With the same Simplicity of Certitude the Spirit of *William and Mary*, today, turns instinctively and surely to the unchanged Principles and the unobscured Purposes of the Student and Alumni of this College from its Beginnings and, like a great Artery throbbing and pulsing from the Heart of Life, the Aims, the Obligations, the Courage and the Will of 1693 animate the *William and Mary* of 1936.

JOHN STEWART BRYAN.

P R E F A C E

AN Echo is an exceedingly strange and wondrous Phenomenon, which, given a substantial Background, will speak again in the Voice of Man, where no Voice is. The Present is a Symphony of Echoes, resounding from the receding and impenetrable Walls of the Past. The Future waits upon it for its Memories.

Our Day has come—we add another Echo to the rising Voice of Time. We of Their Majesties' College of *William and Mary* in VIRGINIA, perhaps more clearly than Most, have heard the Echoes of the Past, and, listening, we have wondered at their Power and Wisdom. Is it then strange, good Sir, or strange, fair Madam, that we, your Editors, have endeavored to blend this your Book with the Memories of the Past—praying always that as it echoes the Memories of your student Days, it may bring also the Echoes of those who have gone before? Is it strange that we should seek to bind ourselves, with such Ties as we may, to those great Scholars and Statesmen whose Voices have echoed for two Centuries past from the Halls of our College and from the Life and Strength of our Nation?

What more could we hope, and for what more should we strive, than to join with Them in holding strong the Background which must serve the Echoes of the Future.

JOHN STEWART BRYAN

*President of the College of William and Mary
in Virginia*

For a scant two years John Stewart Bryan has been president of the College of William and Mary. During that time he has earned the sincere admiration and unending affection of the entire student body. His unfailing energy, his sympathetic attention, his genuine interest in every phase of college life, have endeared him to all.

IN MEMORIAM

TO THE MEMORY

of

DR. JOSEPH LEROY GEIGER

A man of tender ministries; a teacher of unselfish sacrifices; a friend of loving deeds; a scholar of heroic thought. ■ His memory is ours to keep. To keep forever as sacred. ■ His services for twenty years as head of the department of Philosophy and Psychology of the College of William and Mary, have constructed an enduring and scholarly shrine, and altar, before which profound scholarship and unsullied character may bow in humble reverence and unyielding devotion.

Alma Mater

*Hark, the students' voices swelling,
Strong and true and clear;
Alma Mater's love they're telling,
Ringing far and near.*

CHORUS

*William and Mary, loved of old,
Hark, upon the gale,
Hear the thunder of our chorus,
Alma Mater—hail.*

*All thy sons are faithful to thee
Through their college days,
Singing out from hearts that love thee,
Alma Mater's praise.*

*Iron shod and golden sandaled
Shall the years go by,
Still our hearts shall weave about thee
Love that cannot die.*

*God, our Father, hear our voices,
Listen to our cry.
Bless the college of our fathers,
Let her never die.*

Theta Delta Chi was founded at Union College in 1847. The Epsilon Charge was established at the College of William and Mary in 1853, the first social fraternity on the campus. Theta Delta Chi was the first fraternity to use a pledge pin, have an official flag, issue a regular publication, and to adopt official flower and colors.

After changing locations several times, the fraternity has moved into its new location on Richmond road.

Sigma Alpha Epsilon Fraternity was founded March 9, 1856, at the University of Alabama, at Tuscaloosa. Later in the same year, by secret communications, another chapter of Sigma Alpha Epsilon was established at the University of North Carolina.

In 1857, Thaddeus Farnuss entered William and Mary College. He petitioned the grand chapter at Tuscaloosa, and a chapter was started here December 12, 1857. This organization was disbanded during the Civil War, but on February 7, 1925, the Virginia Kappa Chapter of Sigma Alpha Epsilon was reborn, with its original charter still intact.

Pi Kappa Alpha Fraternity was founded at the University of Virginia on March 1, 1868. Gamma Chapter was installed at William and Mary in 1871 and held forth until the college was closed between 1890 and 1897. When William and Mary reopened, Pi Kappa Alpha was completely reorganized and established in a house on Scotland Street. The fraternity was moved to its present location on Richmond road in the fall of 1933.

Pi Kappa Alpha was established at the instigation of six men on the William and Mary campus.

Kappa Sigma Fraternity was founded on December 10, 1869, at the University of Virginia. It has expanded rapidly since that date throughout the United States and Canada, until now it has 106 active chapters. With the encouragement of the late Dr. Lyon Gardiner Tyler, a Kappa Sigma from the University of Virginia, who had become President of the College of William and Mary two years before, Nu Chapter was established in 1890 with fourteen charter members.

Alpha Theta Chapter of Phi Kappa Tau was established at the College of William and Mary by the acceptance of the petition of Pi Epsilon Beta, a local fraternity, in 1926. The national fraternity was founded at Miami University, Oxford, Ohio, on March 17, 1906. Phi Kappa Tau moved to its home on Prince George Street in 1927. It now has forty-three chapters.

Lambda Chi Alpha was founded at Boston University in 1909. The fraternity, an outgrowth of the Cosmopolitan Law Club of that institution, now has eighty-six zetas.

Epsilon Alpha Zeta of Lambda Chi Alpha was originally a local social fraternity by the name of Alpha Phi Epsilon. This name was changed to Alpha Tau Epsilon when, in 1927, the society became the seventy-third zeta of Lambda Chi Alpha.

In the summer of 1934 Epsilon Alpha Zeta moved to its new location at 607 Richmond Road.

In 1925, Zeta Theta Pi was established as a local Jewish fraternity at the College of William and Mary. Within two years, this organization had reached the point where affiliation with a national fraternity seemed desirable. Accordingly, on February 22, 1927, Zeta Theta Pi was installed as Tau Chapter of Phi Alpha Fraternity. Phi Alpha, founded in 1914 at George Washington University, today numbers twenty-one active undergraduate chapters. The charter members of Tau Chapter were thirteen Virginia men, but after nine years of active participation in campus life, the fraternity is at present composed of thirteen Northerners.

Sigma Pi Fraternity was founded in Vincennes University, Vincennes, Indiana, in the year 1897. Alpha Eta Chapter was established at the College of William and Mary, June 6, 1931, from the local fraternity, Alpha Psi.

The first Sigma Pi house on this campus was situated on Scotland Street, established by three men. At the beginning of the 1932-33 session, the fraternity moved to 321 Richmond Road, where they remained until June, 1935. Sigma Pi was again moved at the start of the 1935-36 session, when quarters were taken in the special dormitory adjacent to Tyler Hall.

Omicron Beta Chapter of Chi Omega, established on May 30, 1921, was the first national sorority installed on the William and Mary campus. In fourteen years Omicron Beta has initiated 159 members.

It is a custom to give annually a sociology prize to the woman student who has done the most outstanding work in that field. In 1935, at the Chi Omega national convention, Omicron Beta was awarded the silver loving cup for being the most outstanding chapter of that organization.

Pi Beta Phi, the pioneer among national fraternities for women, was founded under the name of I. C. Sorosis, on April 28, 1867, at Monmouth College, Monmouth, Illinois. The fraternity was the result of serious discussion and planning and a realization of the needs and demands of the rising generations of women for higher and broader spiritual development and unity. Today Pi Beta Phi has 79 chapters and a membership of 23,000.

The local chapter of Pi Beta Phi was established in 1925, when the members of Delta Phi Kappa, a campus organization established in 1920, was granted a charter.

Phi Mu, the second oldest Greek letter organization for women, was founded January 4, 1852, by three students at Wesleyan College, Macon, Georgia. It was announced to the public on March 1, 1852, as the Philomathean Society. This society became national in 1904, when a charter was obtained from the state of Georgia and Beta Chapter of Phi Mu Fraternity was formed at Hollins College, Hollins, Virginia.

Gamma Alpha Chapter of Phi Mu Fraternity was founded at the College of William and Mary on April 24, 1926.

ALPHA CHI OMEGA

Beta Delta Chapter of Alpha Chi Omega was founded on April 8, 1927, through the efforts of Miss Althea Hunt. The fraternity has been represented in Women's Student Cooperative Government, Mortar Board, Phi Beta Kappa, dramatic and musical productions, athletics, debating, publications, and honorary fraternities. Beta Delta has contributed to the honor of the fraternity nationally. In 1932 and 1933 it held the campus scholarship cup, and in 1934 the Alpha Chi Omega Southern Province Scholarship Cup. In 1934 two of its pledges wrote "Alpha Chi Omega Sweetheart Song."

Kappa Delta Sorority was founded October 23, 1897, at the State Normal School in Farmville, Va. Since then it has increased its number of chapters to seventy-five actives, with one hundred alumnae associations. Kappa Delta was asked to join the N. P. C. in 1923 and was accepted on the first petition. The Alpha Pi Chapter started locally as the Chi Alpha Fraternity, and was admitted to the national organization in 1928.

DELTA DELTA DELTA

Alpha Mu of Delta Delta Delta was installed at the College of William and Mary on December 1, 1928. The present chapter was formed from a local sorority, Delta Chi Delta, which had been organized on the campus by Alice Claiborne, a Tri Delta pledge from Sewanee, with the intention of petitioning to the national organization for a charter.

In the winter of 1931 the chapter house on Richmond Road burned with a loss of all chapter and personal belongings. In September, 1931, Tri Delta moved into the house it now occupies in Sorority Court.

HISTORY OF ATHLETICS

WILLIAM S. GOOCH, JR.
DIRECTOR OF ATHLETICS

An able leader, friend, and gentleman.

The first organized athletic team to represent William and Mary in intercollegiate competition was the football team of 1894 which lost to Hampden-Sydney 24-0 in the only game played that year. Baseball was started a year later but neither of these sports became firmly established until 1900. In one of their early games the baseball team was defeated by Washington and Lee by the unusual score of 40-0. Richmond College, now William and Mary's foremost rival, was met for the first time in 1898 on the gridiron.

After football and baseball had become well organized, basketball was adopted in 1906 when the Indians vanquished the University of Virginia team 2-0 in their initial contest. Track was taken up in 1917 but the first scheduled meet, with V. M. I., was called off when war was declared. The year 1920 saw William and Mary enter its first meet, a state contest in which the order of finish was Richmond, William and Mary, Hampden-Sydney, Roanoke and Randolph-Macon.

Athletics became firmly established in 1919 with the inauguration of Dr. J. A. C. Chandler as president of the college, and since that date, Indian teams have won 61 per cent of all contests engaged in.

Joseph C. "Scrap" Chandler captained the William and Mary track team for two years and the baseball team for one in the early '20's, becoming track coach in 1925, a position which he has held to the present time. Since that year the Indian harriers have won 10 Virginia Conference and five state titles. Football immortals of the '20's include John Todd, Meb Davis, and Art Matsu. Red Maxey, Bill Scott, Otis Douglas, Billy Palese, and Stumpy Bryant have excelled for the Indians during the present decade.

All in all, William and Mary teams have won six conference and one state title in football, eight conference and one state title in basketball, nine conference and two state titles in baseball, and ten conference and five state titles in track. Swimming, tennis, golf, and fencing were introduced in the '20's and have continued to the present. Wrestling was taken up by William and Mary in 1928 but lasted only one year. Recently, under the supervision of Otis Douglas, intramural sports have been introduced and are flourishing.

SUMMARY OF THE 1935 SEASON

William and Mary's eleven, though handicapped throughout the season by a succession of injuries, turned in a record of three victories, three ties, and four losses while playing the most ambitious schedule ever undertaken by an Indian team.

their beautiful new stadium on September 21 by battling Virginia's Cavalier's to a scoreless deadlock. A blazing sun slowed up the play throughout and the contest was listless as neither team showed any real offensive strength. The great punting of Captain Bryant kept the ball in Virginia territory most of the game.

Following their usual custom, the Indians journeyed up to Annapolis to open Navy's schedule. Play was about even during the first half but the Middies' four teams finally wore the Indians down and rolled up a decisive margin in the second half. Returning to the state grid battle, William and Mary's already injury-riddled eleven fought the Gobblers to a scoreless tie in Richmond before 8,000 spectators. The game was a costly one to the Indians as

Guilford's visiting Quakers proved no match for the Indians who used three teams and scored at will to turn in their first win of the season. The jinx pursuing Indian backs again bobbed up, Woodard receiving an ankle injury which shelved him for a month. Matheny, in Bryant's vacated halfback position, romped through the Guilford line for four of William and Mary's scores.

Roanoke fell before the Indian attack in the most thrilling game played here in recent years. With three of their regular backs out with injuries, the Indians relied largely on the Bunch to Zable passing combination. William and Mary threatened the Maroon goal five times in the final few minutes of play before Zable finally pulled in a short pass from Bunch to score the winning touchdown.

Coach Dowler's charges dropped their first game to a state opponent on November 2 before a Homecoming crowd of 5,000. The Indians showed no offensive strength and were kept on the defensive throughout by the Keydets' burly line and hard running ball carriers. Six Indian regulars were out with injuries as the Tri-color squad turned in its most disappointing performance of the season.

In their final home game, the Indians knocked the Wasps out of their first place position in the state standing with a clean cut 22-0 victory. A freak last minute pass was necessary to net the Indians a tie with their ancient rivals on Thanksgiving in the Richmond stadium although they outplayed the Spiders in every department of the game, according to statistics. Richmond scored in the third period on a long pass. The Indians threatened all during the final quarter but did not score until the last 30 seconds as a pass intended for Zable was knocked down into the arms of Coiner, Indian left end, who stumbled the remaining two yards across the goal line to give William and Mary a freak but well deserved tie.

FRESHMAN FOOTBALL

1935

William and Mary's freshman grid team, coached by Bill Scott and Otis Douglas, turned in a record of three wins, one tie, and two losses during the past season.

Freshmen, 6; Fork Union Military Academy, 0

The Little Indians ushered in their season with a well-earned though stubbornly fought victory over Fork Union's Cadet eleven. Playing their first game together, the frosh experienced some difficulty in the early stages in getting together but late in the second quarter with the passing combination of Della Torre to Hern working smoothly, the Papooses marched down the field and scored on Canepa's line plunge just before the half whistle sounded. Hern, diminutive quarterback, got off long and accurately placed punts throughout the game to keep the visitors on the defensive.

Freshmen, 46; Louisburg College, 0

With three weeks of practice since their opener, the Papooses showed great strength in routing Louisburg. Coach Scott used every man on his squad as the frosh clicked smoothly in rolling up seven touchdowns and holding the visitors outside of the 20 yard line throughout. Again Hern was the outstanding Papoose back as his great kicking and accurate passing played havoc with the Quakers' team. Walker, Krueger, and Hook in the line smashed Louisburg players before they got started, while Hern, Canepa, and Della Torre were the chief ground gainers for the Scottmen.

Freshmen, 0; V. M. I. Frosh, 20

Completely outclassed by the husky Cadet eleven which would have compared favorably with every varsity team in Virginia and which won the frosh state title easily, the Indian frosh put up a gallant fight but to no avail as the big Cadet backs tore through for gain after gain and scored three times. The game was costly to the Papooses as Hern received a foot injury which benched him for the re-

mainder of the season. Twice the local frosh penetrated the Cadets' ten-yard line but lacked the punch to score. Walker, Canepa, and Hook were outstanding for the Papooses.

Freshmen, 4; Norfolk Div. of W. and M., 7

The frosh suffered their second straight loss at the hands of Norfolk Division by the unusual score of 7 to 4 on the following Saturday in a game played in Norfolk. Unable to penetrate the heavy brave line with any consistency and hindered by the loss of four regulars through injuries, the Little Indians scored twice when the ball was downed behind their opponents' goal line but were unable to withstand a 75-yard Division march in the third period which resulted in a touchdown and victory. Della Torre, Canepa, and Yeager were the big guns in the Papoose offensive while Walker and Tanner were the defensive stars.

Freshmen, 37; Raymond Riordan, 0

William and Mary's yearlings broke back into the win column at the expense of Raymond Riordan School of New York in a game played here in a slanting rain and on a muddy field. The frosh, paced by Della Torre and Canepa, scored twice in the opening minutes of play and tallied two more touchdowns before the half ended. Yeager, who had taken over the kicking duties when Hern was injured, showed himself a master of the quick kick and used this weapon effectively throughout. All of the Papoose scores were made by Della Torre and Canepa while Tirellis, Walker, and Hook looked good on the defense.

Freshmen, 6; U. of Richmond Freshmen, 6

In their annual clash with their ancient rivals the Scottmen outplayed their foes in every department of the game statistically. Scoring first in the early stages of the contest on straight running plays featuring Della Torre, Canepa, and Yeager, the Papooses held their lead until, with only a few minutes of play remaining, Della Torre fumbled a punt deep in William and Mary territory and the Baby Spiders carried it over on three line bucks. O'Hare broke up the pass for the extra point and the game ended shortly after with the teams deadlocked at 6-6.

Summary of the 1936 Season

Christened the "little giants," Coach Tommy Dowler's William and Mary floormen really lived up to their title by winning over some of the state's best teams, finishing third in the state standing with nine victories against four losses. Their record against all opposition was eleven wins and six defeats.

Handicapped throughout the season by their lack of height, not a man on the starting five measuring six feet, the Indians nevertheless gave an excellent account of themselves and climaxed their performance by defeating Washington and Lee 58-56 in the best played and most thrilling game played here in years. The Generals were previously undefeated, and after this loss continued their winning ways to capture state and Southern Conference runner-up honors.

Richmond's strong Spider cagers continued to hold their jinx over the Indians, winning both games played by comfortable margins.

FRESHMAN BASKETBALL-1936

William and Mary's freshmen cagers, coached by Bill Scott, broke even in their sixteen games, winning eight and losing eight.

Faced at the start of the season with the problem of building a team out of almost entirely inexperienced players, Coach Scott succeeded in producing a combination which looked good at times and not so good at others. Stan Kamen, Frank Yeager, and Jack Young were outstanding and give promise of developing into varsity material.

Highlights of the season were victories within a week over Norfolk Division of William and Mary and the Richmond freshmen, foremost rivals of the Papooses.

The '35 varsity nine enjoyed a fairly successful season, winning 11 of 17 games played, though losing two out of three to their ancient rivals, the Richmond Spiders.

Weakened considerably by the loss of their ace pitcher, Owen Elliott, who left college after whipping Washington and Lee 8-2 in the opening game to make good with Richmond in the Piedmont League, the Indians struggled through the season with Scott the only dependable hurler left.

Batting punch came largely from Captain Wadley Stewart, Captain-elect Dixie Moore, Jester, and Marable. Moore led Virginia collegians with a batting average in the vicin-

ity of .400. Outstanding in defensive play was Marable at second base.

The two best played contests here saw the Indians down Dartmouth 4-2, and battle Virginia's Cavaliers to a 5-5 deadlock in 12 innings. In the latter game, the score was tied at 3-3 at the end of the regular nine innings and each team picked up a run in the 11th and 12th innings, but darkness halted the contest at the end of the 12th.

This year's team is playing a more difficult 27-game schedule, which includes a northern trip as far as Vermont.

Coach Tommy Dowler's freshman nine played a nine-game schedule, winning seven and losing two. Several of the frosh players showed promise and should earn positions on the Indian varsity team this spring.

Bud Metheny, hard-hitting outfielder, handled his left field assignment in great style in addition to batting at a .521 pace for the nine contests played. Metheny, Harper, Oliver, Sheeran, Zykes, Adams, and Motley turned in good performances throughout the season.

1935 TRACK

Summary

For the fifth year in succession, William and Mary laid claim to the state track title, defeating Richmond and V. M. I. in dual meets and conceded by the press to be the class of the Old Dominion in this sport. The Indian trackmen were coached by Scrap Chandler, who during his ten years as coach here has turned out ten Virginia Conference and five state championship teams.

The brilliant Captain Monk Little was by far the outstanding Indian performer. Winner of a dozen Southern Conference, Penn Relays, and Intercollegiate A. A. A. A. titles during his three years of varsity competition, the colorful Indian captain entered only one big meet last year, the Penn Relays,

where he won the javelin throw with a toss of 205 feet, 10 inches, and took second in the broad jump with a leap of 24 feet, 10½ inches. Little wound up his collegiate career in great style, counting 23 points for the Indians in their victory over Richmond, as he won the 100, 220, 440, broad jump, and threw the javelin well over 200 feet but placed second to Clark of the Spiders.

Other outstanding performers included Platt Bullard in the middle distances, Bud Smeltzer in the hurdles, Al DeGutis in the weights, and Joe Flickinger in the pole vault.

THE INDIANS' NEW HOME

On September 21, 1935, William and Mary's beautiful new stadium was formally dedicated with the Indian-Virginia football game before which elaborate ceremonies were held and John Lloyd Newcomb, president of the University of Virginia, was the recipient of an honorary LL.D., which was conferred by William and Mary's president, John Stewart Bryan.

Construction on the new stadium was begun last spring and not completely finished until November. The seating arrangement was completed when the stadium was dedicated, but the arcade at the north end of the field and the dressing rooms were not given their finishing touches until later in the season.

Built at a cost of \$175,000, part of which was supplied by the Works Progress Administration, the new home of William and Mary teams, with a seating capacity of 10,000, is one of the most beautiful and unique structures of its kind in the United States. Its architecture is in keeping with the colonial spirit or restored Williamsburg and of the College, and is a structure of which William and Mary may well be proud.

VARSITY TENNIS—1935

This year's tennis team bids fair to be the strongest to represent William and Mary on the courts in recent years. An ambitious schedule, including Richmond, North Carolina State, Drew, Virginia, Maryland, Johns Hopkins, Haverford, Duke, Washington and Lee, Lynchburg, V. P. I., and Boston College is planned for the Indian racquet wielders.

Lettermen back from last year's team are Captain Mitson, Thomas, Wiggins, and James, all juniors. Reynolds, Downing, and Scruggs are promising sophomores and with several excellent freshmen, who are not eligible for var-

sity competition, on hand, the Indian court squad should be one of the state's finest next season.

The players lost from last year's team include Co-Captains Kerner and Schmiedel, and MacFall. The '35 squad which met some of the best team in the country in Dartmouth, Tufts, Duke, Virginia, and North Carolina, won four of its ten matches, despite the fact that four of the starting six men were sophomores and playing their first season of varsity competition. Mitson, playing in the No. 2 position, was outstanding.

VARSITY FENCING—1936

William and Mary's Southern Inter-collegiate fencing champions fell short of the great records set by the '34 and '35 teams, but turned in a successful record of six victories against three defeats. The Indians did not defend their Southern title.

Coached by Tucker Jones, one of the nation's outstanding authorities on fencing, the William and Mary team won

five of their matches by decisive scores, while their three losses came by margins of from one to three points. V. M. I. was the first state opponent to win over the Indians during the past four seasons.

MacDonald, Gannaway, Von Meyer, Woodward, and Freeman fenced for William and Mary. Anner managed the squad.

WOMEN'S PHYSICAL EDUCATION DEPARTMENT

The Women's Physical Education Department, under the able guidance of Mr. Tucker Jones, Miss Martha Barksdale, and Miss Lucille Lowry is to be complimented on the extensive and successful program being carried on here. This program includes not only the required freshmen and sophomore courses, and the major course, but also a varied intramural program, which affords an opportunity for every woman in college to participate in any or every branch of athletics.

Two hundred and twenty-five freshmen women and one hundred and twenty-five sophomore women are taking part in the required courses and each one also selects an outside activity from the various games.

Varsity competition is held in field hockey, basketball, tennis, and fencing, and the coeds rank high in intercollegiate athletics.

New equipment has created additional interest in the various sports. Twelve new tennis courts were added last spring; new bows, targets, and arrows were added to the archery course. Fencing, which has this year increased to such an extent that over sixty students are enrolled in this sport, has been advanced by the addition of equipment enough to outfit all.

The opening of the college lake and Matoaka Park this year affords opportunity for those interested in other forms of outdoor life. Throughout the park are bridle paths for the use of the many people interested in horseback riding and footpaths for those who enjoy hiking. Supper hikes are given on various occasions and picnickers find outdoor fire places for their use.

A rustic boathouse equipped with several single canoes, two war canoes and an outboard motor boat, was well patronized last fall and plans are being made for its spring opening. On Homecoming a war canoe race was held between the freshmen and sophomore women and individual races were conducted by the freshmen men. It is hoped that this will become an annual event.

VARSITY HOCKEY—1935

The hockey season started with a major defeat in Lynchburg at the hands of the superior Sweet Briar eleven.

William and Mary had the opportunity of playing host to the Virginia Field Hockey Association for the annual tournament, entertaining the following teams: Sweet Briar, Harrisonburg S. T. C., Westhampton, Fredericksburg, Farmville S. T. C., Salem, and the Richmond and Norfolk divisions of W. & M.

In two hard-fought games the Indianettes succeeded in tying their tournament opponents, Harrisonburg and Westhampton. The excellent work of Edwards and Horn in these two games won for them the berths of right and left wings on the All-State team. Weed, Sterling, Brouger, and Dawson obtained positions on the Reserve team.

In the last of November the team left for a four-day trip to New York to play New York University and Manhattanville and also to attend the Southeast Tournament in Montclair, N. J. Weakened by the loss of Horn and Edwards, who were playing with the Virginia team at the tournament, the team dropped two games to the two New York colleges. The scores of the games by no means tell of the close competition that William and Mary afforded all her opponents.

The Reserves came out even in their competition, dropping a close game to the Alumnae and winning a hard-fought game from the Richmond Division.

Our freshmen tied the Norfolk Division and lost to a stronger St. Catherine team.

On February 8th, William and Mary had a game scheduled with the touring team of the U. S. Field Hockey Association, but due to snow play was impossible and hockey moving pictures were shown.

The team will lose many of its first string players this spring. Graduation will take Horn, Edwards, Brouger, Sterling, Cummings, Weed, and Dawson.

WOMEN'S BASKETBALL — 1936

The loss of the opening game to the Alumnae was not taken seriously, as it was necessary to use many of our team to fill the shortage on the Alumnae team.

Greenville came up from North Carolina to take an exciting, fast-moving, two-court game and break last year's tie game of 25-25.

On the trip to Farmville and Lynchburg the Indianettes came out even, losing to Farmville in the closing minutes of the game by eight points, and winning from Sweet Briar by one point in an exciting last-minute rally.

The first competition between William and Mary and Maryland State Teachers' College resulted in a victory for the former by a good margin.

Two days before the team left for a four-day trip to New York, Charleston avenged their defeat of last year by winning 44-31.

En route to New York the team visited Beaver and nearly spoiled Beaver's record of having lost but one game in three years by tying the score 22-22. The following day Hunter was defeated with little trouble 28-18. The undefeated trip record was broken by Manhattanville in a thrilling game from which William and Mary emerged on the short end of the 29-22 score.

The reserves won both games in their two-game series with the Richmond division by good margins.

St. Catherine defeated the yearling sextet by a good score, and the freshmen then lost a hard game to the Norfolk Division by one basket.

WOMEN'S FENCING

Last year's fencing team, made up of Edwards, Horn, Brougher, Sterling and Tenny, was again selected to represent the college in intercollegiate competition.

The first match was dropped to New York University, 6-3. In a close match with Hunter, the team came out on the short end of a 5-4 score.

In April the team went to New York to participate in the Women's Intercollegiate Foil Fencers' Association Tournament, meeting Cornell, New York University, Brooklyn, and Hunter.

WOMEN'S TENNIS

In the five varsity tennis meets, William and Mary won three and lost two matches. A team composed of King, Sayen, Torrence, Capps, Waters, Harrison and Herzberg, defeated Manhattanville, Hunter, and N. Y. U., and lost to Swarthmore in New York. On the home court they lost to Beaver.

WOMEN'S LACROSSE

Additional interest is anticipated in Lacrosse this year, due to the fact that an English coach is expected to be here during the month of April.

HISTORY OF WOMEN'S SPORTS

In 1918 William and Mary was opened to women students. From the first the women took an active interest in sports. A hiking club was formed this year. When all the women students came out there were enough to have a game of basketball. In an old annual for this year it is recorded that "On October 30 the yellows beat the blacks in a thrilling basketball game. Both teams scored but the yellows scored more." Gymnastics, dancing, and tennis formed a part of the program.

The next year, Dr. Chandler became president of the college and did much to further interest in women's sports. Track was added. Hockey was started at the same time that other colleges in the country were adding it to their program. Numeral awards were given.

In 1920 the first methods course in physical education was offered by Mr. Tucker Jones. Intercollegiate basketball began with competition with Westhampton and the Richmond Y. W. C. A. This did much to make William and Mary well known and advance friendly feeling with other institutions. The intramural program was introduced, competition being held in track, hockey, tennis, and baseball. A cup was offered in tennis.

1921 saw the opening of Jefferson gymnasium and swimming pool. Swimming assumed an important place in the program, intercollegiate basketball continued and tennis was started with a match with Sweet Briar.

The following year saw the opening of the major department and the staff was enlarged to five teachers and a student assistant. This made possible larger fields in athletics and all phases of physical education. Dancing and apparatus were among the new activities. The first northern basketball trip was most successful, resulting in five wins.

The point monogram system and the system of naming three leading athletes was started in 1923.

Life saving and fencing were started in 1924. This was the first year that a varsity hockey team was named.

A monogram club was started and sweaters were awarded in 1925. Tennis was put on a par with other inter-collegiate sports and competition in hockey was held with Sweet Briar.

In 1926 William and Mary's basketball team scored nine wins and one loss and totaled 317 points to their opponents 204.

For the next three years the basketball team was undefeated in competition with both northern and southern colleges. Many hockey games were played both on the home field and abroad. Track, tennis, and swimming continued to hold their popularity.

In 1930 the winning basketball streak was broken. Hockey continued to improve as did tennis.

The Indianette hockey team invaded the north for the first time in 1933.

Today there is keen inter-collegiate competition in basketball, tennis, hockey, and fencing. Each team takes a northern trip as well as several southern trips and has home games. All other sports are offered in the extensive intramural program. The major department has grown to a much larger size.

WOMEN'S INTRAMURALS

One of the largest additions to the physical education department has been the intramural program. The sororities and dormitories have competition in tennis, horseshoes, badminton, basketball, bridge, swimming, and ping-pong.

This program gives opportunity for every woman in college to participate in some form of activity. Last year over three hundred women took part in the intramural activities.

The intramural trophies, last year, were won by the Phi Mu sorority and Chandler dormitory. This year tennis was won by Kappa Alpha Theta and Chandler, the horseshoes by Gamma Phi Beta and Chandler, badminton by Delta Delta Delta and Chandler and basketball by Gamma Phi Beta and Jefferson. Points are given to runners up and to those teams who enter competition.

Much credit for the advancement of the program is due to Miss Lucille Lowry and to Beatrice Torrence, intramural manager.

OTIS DOUGLAS
Director,
Intramural Sports

INTRAMURAL SPORTS

Intramural athletics have become a definite part of the sports program at William and Mary since Otis Douglas assumed the position of intramural director two years ago. The objectives of these activities are to provide play and sport for all, to provide a rich program of activities sufficient in range to meet all interests, and to further the accomplishments of the goals of social and physical education.

Sports engaged in during the past year include basketball, track, football, life saving, swimming, wrestling, boxing, archery, softball, gymnastics, handball, checkers, chess, dancing, basketball, foul shooting, horseshoe throwing, ping-pong, and volley ball. There were 553 contests in these eighteen activities.

Future of Intramurals

As the facilities for intramural athletics are increased and the organization becomes better, it is the aim of the College that every student participate in at least one activity. Careful instruction is given in both physical education classes and outside as the Physical Education Department pursues its drive to familiarize students with their favorite sports in order that the intramural program may continue to develop into an integral part of William and Mary's athletic life.

The Flat Hat Club Society is the oldest living college organization in America, having been founded at the College of William and Mary in 1750, thus antedating the Phi Beta Kappa fraternity by twenty-six years. On its rolls may be found the names of Jefferson and others of the college's famous alumni, including the long list of notables in the Spotswood Club of Old Virginia.

MEN'S DEBATE COUNCIL

Allen Carpenter, as manager of debate, secured the best debate schedule that the Wranglers' Club has had in several years. Only one team was sent on a trip, but that trip was an imposing one both in the number of debates and in the quality of the opponents. Jay Simpson, Dick Rhoades, and Allen Carpenter were chosen by the coaches to represent William and Mary in this schedule of debates. The question in the majority of these off-campus debates was: Resolved, That the Congress of the United States be given the power by a two-thirds vote to override decisions of the Supreme Court that declare acts of Congress unconstitutional. This trip included the following colleges:

March 9	UNIVERSITY OF MARYLAND
March 11	UNIVERSITY OF PENNSYLVANIA
March 12	RUTGERS UNIVERSITY
March 13	COLUMBIA UNIVERSITY
March 16	BOSTON UNIVERSITY
March 17	YALE UNIVERSITY
March 18	COLLEGE OF THE HOLY CROSS
March 19	RHODE ISLAND STATE COLLEGE
March 23	PRINCETON UNIVERSITY

The home schedule brought teams to the William and Mary campus from some of the leading Universities of the east. Each debate was on a different subject. This schedule was as follows:

March 16	GEORGE WASHINGTON UNIVERSITY
March 21	YALE UNIVERSITY
March 30	HARVARD UNIVERSITY
April 1	PRINCETON UNIVERSITY
April 16	UNIVERSITY OF MARYLAND

On April 8 William and Mary debated Dartmouth College over Station WRVA, Richmond, Va.

The Young Men's Christian Association is a student organization, the work of which is conducted entirely by student officers and student assistants.

The object of the Association is to create a fellowship among students who are vitally interested in the highest meanings of life and thereby to develop the highest type of Christian character in the men students of the College. The Association aims to be the expression of practical Christianity. It is for those who believe in knowledge, not for the sake of knowledge alone, but for what it can do in creating deep moral convictions of right and personal standards of worth.

✓ ACCENT on YOUTH

That's where life insurance puts it. When one is young he may become the owner of a life insurance estate at a lower cost while receiving relatively larger benefits. In youth, too, there is less likelihood that one will be found uninsurable. The foresighted young man makes life insurance his first investment.
